# 30 Prayers

TO PRAY THIS SCHOOL YEAR

Well, like it or not, school is back in.

Whether you are in a classroom in front of a teacher or a bedroom in front of a zoom call, school is in session.

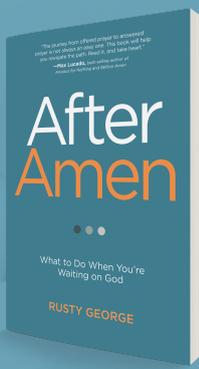

And while it may not be legal to have formal prayer in school, we all know as long as there are tests there will always be prayer in school. And for all the parents who are helping their kids with online learning there will be much prayer!

So, here's a free downloadable PDF of some prayers to pray this school year. I hope it supports and blesses you during these strange and difficult times.

In Christ,  
Pastor Rusty George

# YOU'VE PRAYED ABOUT IT... NOW WHAT?

Though none of us pray enough, we all pray some. There eventually comes a moment when we get desperate enough to cry out to God. We pour out our prayers, making confessions, promises, and deals, then we say Amen. And we wait. And wait. Sometimes the silence is deafening, and we question whether God hears us or not. We wonder if our prayers ever got past the ceiling, if he's even there, or if he is waiting on us to do something. So what do we do while we wait for God to answer our prayers? As a pastor with decades of experience, Rusty George offers a new way to help you connect with God and get answers while you wait. By exploring the ministry of Jesus, you will encounter a variety of people who come to him in need, but receive a mixed response; while some get an immediate answer, some have work to do, and some simply wait. As you read, discover the powerful steps of faith you can take after saying Amen.

*"Whether you're a Jesus follower or you just watch from a distance, Rusty tackles questions so many of us have: Does God really hear my prayers? And, if so, why does it feel like nothing is happening? Rusty's insights are timely and so needed today."*
